FIBERS 100% mulesing free wool

CLEW 200 grs. ca. - 200 mts. - 7,05 oz. ca. - 219 yds.

KNITTING NEEDLES 6 - 6

Made of 100% mulesing-free wool, you can create two identical, warm, comfortable and fashionable slippers from a single ball of yarn. The combination of single colours and multicoloured stripes makes each pair of slippers unique and original. The warm shades add liveliness and personality. Its special untreated fibre is resistant to felting and water and makes this yarn suitable for fashion accessories as well as small home decor projects.
